Any indiscretion is an act of unfair competition subjected to liability for damages in line with general conditions/principles.

§ 7 Final Provisions

1. In case of false technical data given to the Seller in bid inquiry or order, the Seller shall not bear responsibility for the technical selection (performance) of appliances.
2. Regardless of other provisions of the contract or order, the Seller is not liable for any breach of the contract or order, including: liability for damages, tort liability, arising of contractual penalties, if the breach is the result of:
 - delays and/or interruptions of supply chain on both home and global markets, which in turn will trigger an unavailability (temporary or permanent) of raw materials, components, parts,
 - delays and/or interruptions of transport networks, both national and global;
 - any other similar disturbances, resulting in failure to comply with the terms and conditions of the contract or order due to reasons beyond Seller's control.
3. The Seller's aggregate liability for damages (stipulated penalties included) is up to 50% of net weight of the order.
4. In matters not regulated by the order and/or contract, provisions of the present GTS shall apply. Placing the order is tantamount to the acceptance of GTS by the Buyer.
5. In matters not regulated by an offer, an order, and the GTS, provisions of the Polish Civil Code and other regulations of the Polish law shall apply.
6. Any changes of order performance conditions or deviation from present GTS shall be null and void unless made in writing by both Parties.
